¹Note:

The Management has confirmed that in two separate instances, proportionate sales of 27 and 19 stocks were carried out to reallocate funds towards new investment opportunities. The stock in question was part of these transactions and was not individually targeted for liquidation. The Management has further clarified that only a portion of the holdings in the mentioned stock was sold, and the remaining positions continue to be held in the portfolio. We have verified these trades and confirm that the trades were executed in a proportionate manner as part of portfolio rebalancing. The same stock is available in the Portfolio after the partial sale. As the fund managers for Advisory and Prop are different individuals with no access to each other's trade data this has happened.
